Job Posting: Experienced Pipelayer

Purpose of Position:

As a Pipelayer you will work primarily within the Vancouver Island Region. A Pipelayer will be responsible for installing, assembling, fabricating, maintaining, and repairing piping systems within the Civil Construction Industry. You will work closely with other trades, equipment operators and with ground crew to accomplish the site preparation as required and directed by the site Supervisor.

Accountability:

As with all careers in construction, safety is the top priority. Site safety protocols must always be adhered to for your own safety, and the safety of your team.

Employee must provide their own basic personal protective equipment: hard hat, rain gear, steel toe boots, and high visibility vest.

Duties and Responsibilities:

- Cut, thread, hammer pipe to specifications using appropriate tools
- Assemble and measure, cut & secure pipe, tubes, and fittings to specs using appropriate methods
- Ability to confidently read blue prints to effectively plan pipe system layout and installation
- Inspect, examine and test installed systems using appropriate methods
- Participate in safety meetings & hazard assessments
- Work around underground electrical/power, water and gas utilities
- Work as part of the team under strict deadlines
- Expected to operate under a variety of extreme weather conditions
- Wear safety gear at all times
- Understanding of job site safety procedures
- Complete all required daily tickets and paperwork in a timely and accurate manner
- Ability to lift 50lbs regularly throughout the day
- Effective verbal communication and customer service skills
- Adhere to company Health & Safety Manual, and Policies

Qualification and Education Requirements:

- Reliable, hardworking team player with the ability to manage multiple tasks and communicate effectively
- 5+ years of experience in Civil Construction & Pipelaying
- WHMIS, Confined Space, Asbestos Training, OFA Certification, considered an asset
- Must be physically fit and able to keep up in a fast-paced environment
- Class 5, with clean abstract required

Pay Rate dependent on experience.
