## Ministry of Forests, Lands, Natural Resource Operations and Rural Development Port McNeill

### Cruising Specialist

**\$60,998.61 - \$69,422.06 annually, plus a \$38.87 bi-weekly isolation allowance**

A career with the Ministry of Forests, Lands, Natural Resource Operations and Rural Development offers an exceptional opportunity to undertake a variety of challenging and rewarding roles in the delivery of programs supporting a environmental sustainability, economic recovery and growth, and a foundation to true and lasting reconciliation with Indigenous peoples.

The District Cruising Specialist provides technical expertise and conducts detailed analysis of cruise plans and appraisal submissions, including field evaluations, in support of natural resource decision-making. As a subject matter specialist, they also provide technical advice to other resource technologists, both internal and external to government – and supports the technical delivery of other program areas including waste and residue, scaling, tenure administration, and forest stewardship in both the field and office environments.

The BC Public Service is committed to creating a [diverse workplace](#) to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

The [Indigenous Applicant Advisory Service](#) is available to applicants that self-identify as Indigenous (First Nations, status or non-status, Métis, or Inuit) seeking work or already employed in the BC Public Service. For advice and guidance on applying and/or preparing for an interview for this opportunity, we invite applicants to connect with the Indigenous Applicant Advisor Amanda by email: [IndigenousApplicants@gov.bc.ca](mailto:IndigenousApplicants@gov.bc.ca) or by phone: 778-698-1336.

### Qualifications for this role include:

- Degree, diploma, or equivalent in a natural resource field.
- Registered, or immediately eligible for registration, as a Registered Forest Technologist (RFT) or equivalent with the Association of British Columbia Forest Professionals (ABCFP).
- Recent experience (within last 3 years) performing technical forestry-related duties.
- Recent experience (within last 5 years) working with key timber pricing policies and procedures, i.e. Timber Cruising Manual; Cruise Compilation Manual; Provincial Logging Residue and Waste Measurement Procedure Manual; and/or Coast Appraisal Manual.
- Valid BC Driver's Licence.
