

**Summer Student Employment Opportunity  
General Labour / Site Clean-up**

Quicksilver Resources Canada Inc. is a Calgary based company recognized as a leader in unconventional gas exploration and development. Quicksilver Resources Canada is looking to fill **four** summer employment opportunities at our Discovery LNG Elk Falls site in Campbell River. Duration for these positions will be May to August 2014.

Applicants must:

- Be registered in a post-secondary institution (proof of registration will be required)
- Must be a resident of Campbell River/ Strathcona Regional District
- Must be legally entitled to work in Canada (legal documents will be required)
- Must meet WorkSafe safety standards
- Candidates will be required to perform physical labour
- \*Personal Protective Equipment will be provided

Duties include but are not limited to:

- Sorting and consolidating non-hazardous materials
- Removing/disposing/recycling materials and equipment
- General Site clean-up
- Development of a "Green Plan" that documents volumes of material being reused/recycled/disposed
- Assisting onsite supervisor as required

Individuals interested in pursuing this opportunity with an industry leader that offers a challenging and diverse work environment, are invited to submit their resumes by Monday, April 21 2014 to [pbarrett@qrinc.ca](mailto:pbarrett@qrinc.ca).

**Please include the job title in the subject line.**

We sincerely thank you for your interest in Quicksilver Resources Canada Inc. Only those candidates under consideration will be contacted.
