- Must be fully ticketed Red Seal HD Mechanic.
- Valid Driver's License
- Highly developed machine diagnostic and repair skills are a benefit
- Must be a self-starter and be able to work with minimal supervision
- OFA Level 3 considered an asset

***** Please provide reference contacts when you apply**

LIVE WORK PLAY

Vancouver Island is home to some of Canada's best and most beautiful places to live, not to mention the climate is one of the warmest. The central island region experiences warm summers coupled with some of the mildest winters in all of Canada.

If you are considering moving to Vancouver Island, you will find one of the most unique and special places in all of Canada. Surrounded by mountain ranges, rainforests and the Pacific Ocean, the lifestyle here is rich in nature, outdoor activity, and wildlife. No matter what quaint and welcoming area you choose to call home, you'll find a relaxing lifestyle with amazing places to explore.

In particular, discover Vancouver Island and the surrounding areas as a great place to live work and play: [Click here](#)

YOUR CAREER

At Western Forest Products, we believe our most significant asset is our people. Investing in our people brings value and success to our business, ensuring a safe, engaged, productive and continuously improving workplace. We offer challenging opportunities working alongside the best in the industry to meet your career and professional development goals while providing competitive total rewards and recognition.

We provide a variety of **on-the-job training** and **continuing education** in many areas at Western to ensure you have the skills you need to succeed. Our **promote-from-within culture** recognizes high performance, and we offer diverse career paths across the organization for those with the talent and will to advance.

WESTERN OVERVIEW

Western Forest Products is a leading forest products company that sustainably manages forests and manufactures high-quality wood products. Headquartered in Vancouver, British Columbia with operations in the coastal region of B.C. and Washington State, Western meets the needs of customers worldwide with a specialty wood products focus and diverse product offering.

Our commitment to health and safety, environmental stewardship and community engagement is core to how we do business at Western Forest Products.

Our approach to responsible business practices in all aspects of our business is multi-faceted. We adhere to and employ the most stringent environmental practices in the world. The steps we take to ensure the forests in which we operate are renewed and remain healthy and viable for future generations are mirrored in the care we take to make certain our communities continue to grow and prosper. This includes investing in communities where we operate and continuing to forge mutually beneficial relationships with First Nations in respect of their local and cultural interests.
