## Indigenous Partnership Manager

Are you a self-starter with a proven history of building and improving upon positive relationships with Indigenous Nations, communities and organizations?

We are seeking an individual to help us continue to develop mutually beneficial partnerships with our operations on Vancouver Island and the B.C. Central Coast. The Manager Indigenous Partnerships will work to support the development and implementation of strategic approaches to achieve consistent and effective engagement.

The successful candidate will ideally have a background in natural resource development, or communications, direct experience in working with Indigenous organizations in BC, and a demonstrated track record of building positive, mutually-beneficial relationships with external partners.

Based in our Campbell River office and reporting to the Director Public Affairs, this role requires a positive, committed and motivated individual.

**Closing Date: open until successful candidate is found**

To be considered for this opportunity, please submit your resume and cover letter online at:
