

Explore A Career At Mosaic

Operating for over a century on Vancouver Island and coastal BC, Mosaic Forest Management is Canada's largest private timberland producer. We take pride in our land base and have a long-term view of managing our trees and the eco-systems in which they grow.

The Opportunity

Mosaic is seeking a Field Planner to work out of our Nanaimo or Nanoose Bay, BC offices on Vancouver Island, British Columbia.

The Role

Reporting to the Senior Manager, Planning & Engineering, the Field Planners will plan and develop optimal road and harvest blocks while keeping a high standard for safety, environment, quality, productivity and cost. Specific responsibilities include but are not limited to:

- > Conducting cut block and road layout in the field on a regular basis;
- > Designing and developing field layouts, coordinating surveying and mapping activities and managing results and timelines;
- > Developing and preparing road and harvest plans;
- > Monitoring the quality of cut block layouts and files;
- > Supporting the safe execution of planned harvest activities; and
- > Traveling to and working across Mosaic's land base and, on occasion, at remote camps.

Required Skills and Experience

- > Valid Class 5 Drivers' License;
- > Technical Diploma in Forestry or equivalent;
- > Forestry industry experience or forestry engineering summer student experience or equivalent;
- > 2+ years' forestry engineering experience will be considered an asset;
- > RFT/RPF eligibility or accreditation with the ABCFP;
- > Strong communication and interpersonal skills;
- > Practical knowledge of timber harvesting systems;
- > Proficiency with Microsoft Office suite, ROADENG, GIS, LIDAR, GPS and ARCMAP;
- > Ability to navigate difficult forest terrain and road construction sites on a regular basis;
- > Ability to self-direct and effectively organize, plan and prioritize resources; and
- > Ability to travel in boat and on planes and do occasional overnight remote camp work.

What You Get

At Mosaic, we are proud of our highly collaborative, respectful, and innovative work environment. Our employees are empowered with high levels of role autonomy and the ability to make decisions and lead change.

Our pay-for-performance compensation philosophy is a key driver of our culture and includes competitive compensation and benefits, a bonus based on individual and company performance, a company-funded defined contribution pension plan, paid vacation, a health and fitness reimbursement program, and a variety of other benefits and perks.

About Mosaic Forest Management

Mosaic Forest Management Corporation is in the business of sustainable forest stewardship, managing private timberlands and Crown forest tenures in Coastal British Columbia for more than a century.

Mosaic employs several thousand people directly and indirectly, and is committed to achieving positive economic, social and sustainability outcomes from the working forest.

The Mosaic land base spans across beautiful Vancouver Island. Beyond generating strong economic returns, we manage our private forest lands to protect the cultural values of our indigenous partners, provide sustainable forest stewardship and environmental services, and offer a variety of recreational opportunities, scholarships, and donations to our neighbouring communities.

Mosaic Forest Management and COVID-19

Mosaic Forest Management is committed to taking every reasonable precaution to provide a safe work environment to protect the health and safety of its employees, contractors and other applicable third parties from the risks of COVID-19.

In keeping with this commitment, effective March 31, 2022, all Employees must be Fully Vaccinated *and* must provide sufficient proof of COVID-19 vaccination to Mosaic (e.g., vaccination/immunization cards or records or their BC Vaccination Card).

If employees are unable to be fully vaccinated due to a medical or other reason protected by the B.C Human Rights Code, they may be eligible to request an accommodation.
