## QUALIFICATIONS

- The successful applicant will have a **minimum of 2 years experience** in the past 5 years with BC coastal logging
- Preference for applicants with a Valid OFA Level 3 First Aid Certificate, but all qualified applicants will be considered.
- All applicants must have a valid BC drivers license and be able to provide a driver's abstract with resume.
- Excellent safety record and strong work ethic.
- Excellent time management skills
- Accountable and dependable

## YOUR CAREER

At Western Forest Products, we believe our most significant asset is our people. Investing in our people brings value and success to our business, ensuring a safe, engaged, productive and continuously improving workplace. We offer challenging opportunities working alongside the best in the industry to meet your career and professional development goals while providing competitive total rewards and recognition.

We provide a variety of on-the-job training and continuing education in many areas at Western to ensure you have the skills you need to succeed. Our promote-from-within culture recognizes high performance, and we offer diverse career paths across the organization for those with the talent and will to advance.

## WESTERN OVERVIEW

Western Forest Products is a leading forest products company that sustainably manages forests and manufactures high-quality wood products. Headquartered in Vancouver, British Columbia with operations in the coastal region of B.C. and Washington State, Western meets the needs of customers worldwide with a specialty wood products focus and diverse product offering.

Our commitment to health and safety, environmental stewardship and community engagement is core to how we do business at Western Forest Products.

Our approach to responsible business practices in all aspects of our business is multi-faceted. We adhere to and employ the most stringent environmental practices in the world. The steps we take to ensure the forests in which we operate are renewed and remain healthy and viable for future generations are mirrored in the care we take to make certain our communities continue to
