- Highly motivated team player with excellent time management skills
- Accountable and dependable
- Creative and innovating thinking, logical problem solving, and a desire to participate in an organization committed to continuous improvement

---

## LIVE WORK PLAY

Vancouver Island is home to some of Canada's best and most beautiful places to live, not to mention the climate is one of the warmest. The island region experiences warm summers coupled with some of the mildest winters in all of Canada.

The outdoors is your playground, surrounded by the Olympic and Cascade mountain ranges, rainforests and an ocean filled with wildlife. Imagine a place where you could literally go skiing and golf in the same day.

If you are considering moving to Vancouver Island, you will find one of the most unique and special places in all of Canada. The lifestyle here is rich in nature, outdoor activity, and wildlife. Within arm's reach you will find rivers, lakes, and the Pacific Ocean no matter what quaint and welcoming area you choose to call home.
