

## Pharmacy Assistant Instructor

Excel Career College is a designated post-secondary Institution, serving the Comox Valley and Vancouver Island for the past 30 years. At Excel, we strive to provide the most sought after graduates for employers and the best way we can do this is to continue to build and grow our team; bringing more practical and relevant resources to our students.

We are looking for a dynamic individual to join our team of instructors, specifically for our upcoming Pharmacy Assistant module which is a component of the Healthcare Office Assistant Diploma Program.

The ideal candidate will be able to demonstrate current knowledge of the Pharmacy industry paired with a genuine interest in preparing the students for success.

### Qualifications:

- Degree/Diploma/Certificate in the field of study, and
- A minimum of two years full-time occupational experience in the field.

OR

- Ten years of demonstrated experience in the field of study.

OR

- A reasonable combination of education, industry experience and/or teaching experience.

The qualified individual must be personable, patient and flexible; able to assist small classes of adult learners using a broad array of teaching techniques. We have a strong, experienced team to support and coach the right individual.

### Hours and pay rate:

This is a contract position, 20 hours per week for 6 weeks plus prep time.

Consideration will be given to a job-sharing type role where some skills are stronger than others. i.e. If the applicant has Pharmacy experience but not compounding.

Other opportunities may be present, depending on the applicants skills.

Pay will depend on experience with a range of \$18 to \$22 per hour on average, plus Vacation pay.
