

## Full-time nurse jobs available Alert Bay, Northern Vancouver Island, BC

**Island Health (Vancouver Island Health Authority) has several full-time RN positions available at the Cormorant Island Health Centre in Alert Bay on Northern Vancouver Island.**

Consider the joy of working in a close-knit, small-town community setting and the important role healthcare providers play in these communities. In this role, you follow your clients from facility to the community improving the continuity of care.

This bright and modern centre was built in 2002, services include: Emergency Department, Acute Care, Residential Care, Medical Detox, Ambulatory Outpatient Services, Laboratory, X-Ray, Palliative Care, and Emergency Obstetrics.

### Job Summary

You will provide professional nursing care to clients as a member of a multidisciplinary team. You are responsible and accountable for coordinating and administering direct client care utilizing the nursing process; provide direction to staff and volunteers and respond to emergency situations to safeguard clients, visitors and staff.

### Qualifications

Ideally you have up to 2 years' similar experience, along with your Current practicing registration with the College of Registered Nurses of British Columbia (CRNBC). Advanced Cardiac Life Support for Emergency Room, ICU and Critical Care preferred.

### Community Information – Alert Bay, Vancouver Island

Alert Bay is the oldest community on northern Vancouver Island, and has been the traditional home of the Namgis First Nation for several thousand years. Alert Bay is easily accessible by a scenic 45 minute ferry ride from Port McNeill and the picturesque fishing village of Sointula. Ferry service runs continuously between Port McNeill, Sointula and Alert Bay daily.
