

Site Manager – Saltwater (Klemtu)

If you're looking for a management position with exciting advancement opportunities, we are currently recruiting for a Site Manager to join our Saltwater management team in Klemtu. The Klemtu areas our most remote saltwater production location nestled in Finlayson Channel and surrounded by the Great Bear Rainforest. Klemtu is a hidden treasure known for its breathtaking scenery and abundance of wildlife. This position is located within the territory of the Kitsoo Xias-Xias Peoples.

The successful applicant will lead a team of individuals who are passionate about environmental sustainability and passionate about growing our fish in a safe, ethical, and positive work environment.

Responsibilities and Qualifications:

- Three (3) to five (5) years' experience in salmon farming plus post-secondary education in aquaculture or similar field. Anequivalent combination of education and experience may be considered.
- Managing daily operations of the site including site safety, site and equipment maintenance and all aspects of personnel management and fish husbandry
- Short and long-term planning and budget development
- Highly organized, able to manage multiple priorities and meet deadlines for production.
- Good communication skills.
- Strong interpersonal skills (i.e. approachable, empathetic) including the ability to develop effective relationships and successfully resolve conflict situations.
- Computer proficiency and able to use excel, AquaFarmer and other systems for reporting and administration.
- The ability to work safely and effectively in challenging environmental conditions.

Closing date: October 10, 2022

We offer competitive wages, a comprehensive extended health care benefits package, annual incentive bonus and pension plan.

To be considered for this opportunity with a progressive, growth-oriented company, please submit your resume and cover letter online at: <https://mowi.com/caw/people/vacancies/>

Mowi is the world's leading seafood company and the largest producer of farm-raised salmon. Every day, our 12 000 employees in 25 countries produce 7.5 million healthy and delicious meals, served to customers across the globe. Mowi covers the whole value and production chain, from feed to plate, and through our vision of leading the "Blue Revolution" we are dedicated to farming the ocean in a responsible and efficient way. Mowi is headquartered in Bergen, Norway, and is listed on the Oslo Stock Exchange.
