

We are currently recruiting for a self motivated, responsible Landscape Labourer for a private Estate on Stuart Island. Must enjoy working outdoors performing regular physical activity that is often repetitive in nature and in all types of weather.

Mowing and maintaining lawns and grounds, assisting in the maintenance of various landscaped and turf areas. Care and maintenance of turf including seeding, irrigation, fertilizing, repairing and cutting turf.

General maintenance of buildings, cleaning gutters and pressure washing.

Experience working with chainsaw, operating equipment and power tools considered an asset.

Stuart Island is a remote location. Food and Accommodation is provided on site. Transportation to and from Stuart Island from Campbell River is provided. This is shift work.

Wage to be discussed.
