

Brown's Bay Packing Co. has been an industry leader in the farmed salmon processing industry since 1989. We are in the process of expanding our crew list to meet expected increases in production volume. We are looking for character individuals, who can think quickly on their feet to join our production team. Successful applicants must be able to transport themselves to and from our facility. We offer one of the best wages and benefits packages in the industry and provide training opportunities to qualified individuals.

Anyone interested in joining our team is required to complete an application in person at our facility. Please apply on one of the following days march 13th to march 16th between the hours of 8:00 a.m. until 12:00 p.m. Covering letters and resumes should be addressed to Mat Iskierski. We are located at 15007 Brown's Bay Rd, a short 15 minute drive north of Campbell River.
